Assessor Comments	164 outstanding quality beautifully bred "Okeview" heifers to be sold in 2 even runs of 82 out the gate. These heifers were

	all weighed 344-400 kg and are not over done with condition giving purchaser plenty of scope to put weight on quickly they will suit either a feedlot or go back to the paddock to join to the bull of your choice and in my opinion are some of the best Hereford cattle you will buy. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past. There is another 83 heavier heifers in todays sale.
