Assessor Comments	Attention all today we have to offer 22 very well bred Simmental cross Steers. All the hard work has been done here. The steers were weaned back in March and have been backgrounding since. The temperament is just right with making it very easy to handle in the yards. The Steers are a healthy average of 327kg on delivery and are showing great frame and performance with doing up to 1kg a day. Please note cattle are located in the ticks and will require clearing before moving across the tick free line this will be at the purchases expense vendor has pretreated with Ivomec.
