Assessor Comments A great line of well grown young Santa cross steers 8 to 10 months of age that are a credit to the vendor, these steers will grow out to be great export feeders or grow out to export bullocks. These Steers will perform well on crop or grain these steers have never had a setback & will go ahead on feed. a small percentage were a bit agitated in the crush but settled quickly when back in the mob, the photos were taken in the paddock & these did not worry about us & just stood there.
