Assessor Comments	Attention all backgrounders today on offer we have 35 Droughtmaster, Droughtmaster Cross Steers. This is a very neat deck line of well grown Steers. All the Steers presented in store condition and are showing great frame and growth for age. All Weaners are very tidy around the head and have a very soft easy going temperament with only a few stirring up under pressure. On assessment the Steers average 218kg on delivery. The opportunity is yours to help fill your paddock with Steers that will perform and grow into whatever market you choose. Please note the Steers are located in the Tick area and will require clearing prior to moving across the tick free line this will be at the buyers expense. Vendor has pretreated to help this process.
