Assessor Comments	Buyers a good line of predominately young to middle aged Cows PTIC to Angus Bulls. Cows present in strong store to forward store condition, and are good medium to large frame Cows with the Heifer portion showing good potential and look to grow out into medium to large frame Cows. Cows would be a great asset for someone looking at rebuilding breeder numbers or for a starter looking to start with a great line of Cows. Please note 1 Cow noticed at assessment with old scarring on eye.
