Quiet: 18 head	Quiet: 15 head	Temperament not assessed in

	Slightly Stirry: 10 head	Slightly Stirry: 8 head Stirry: 5 head	Paddock

The Temperament of these steers is accredit to the vendor, these steers are free flowing through out the yards with minimal fuss, as expected for young cattle there is the odd steer when put under pressure will react but overall good to handle. I did not handle these steers in the paddock but observed them walked away with a side by side and dogs.
