Assessor Comments: Buyers here presents a great opportunity to purchase 3 decks of high performing steers from the renowned Hudson family herd. These steers are best described as mainly good to very good quality. Good bone, structure and confirmation. 100% weighed at assessment to average 322.5 kg curfewed. Steers will make an ideal heavy feeder steer or grass fed bullock. These Steers were bred using good quality Angus, Simmental, Droughtmaster and Limousin bulls out of a soft Droughtmaster/Euro/British X cow. Cattle come highly recommended from both a performance and temperament perspective. Steers were weaned and educated and are extremely quiet to handle both in yards and paddock.
