Very Good to Handle through the yards. They are calm & content cattle with only a couple stirring up in the crush. They have been race drafted. They have only been yard weaned so would benefit from some outside education before they are let go.

Assessor Comments	64 GQ HGP Free Santa Cross Steers & Mickies to fit on 1.5 decks. Majority exhibit good bone, length & depth for their age. They are quiet, have good feet & plenty of compensatory weight gain on offer. They are well suited to grow out to feeder weights & majority have the capacity to make good Bullocks.
