Assessor Comments	A small line of very quiet Droughtmaster cross heifers that present in good store condition. Heifers were purchased ex Toogoolawah sale from the Jimna district. The heifers were a pleasure to handle in yards and crush and have been used to train working dogs. These heifers would make ideal future breeders or would be suited to feed for the trade. Buyers please note while these heifers are located in a tick area no ticks were visually present at the time of assessment however heifers will need to be cleared before travel to clean country
