All heifers were easy to handle with only a few stirring up when singled out from the mob and once put back together they calmed down.

Assessor Comments This is a very handy line of one brand grey brahman heifers. The only reason for the sale is a loss of agistment paddock and under normal circumstances these would be grown out and retained for the vendors breeding herd. This line of heifers is ideal to put away to grow & develop into a nice, even, reliable line of breeders. BUYERS PLEASE NOTE these heifers will all be pre-treated for ease of movement into clean country, but it is the buyer's responsibility for clearing.
