Assessor Comments	Here are 27 good quality Angus and Angus Cross Heifers that have been weaned, tailed out and well handled. Heifers are well bred being by Ruby Ridge Angus bulls out of very fertile productive Angus, Santa and Droughtmaster Cows. Heifers are good and quiet and were a pleasure to handle through the yards. Would make ideal trade or heavy feeders or breeder replacements. All the hard work has been done on these heifers and they are ready for any choice you want to grow them out to. All these heifers are polled. Please note vendor has another lot of heifers in this sale.
