Assessor Comments	An excellent line of Stoney Fold and Coolana blood heifers purchased ex Ballarat store sales, PTIC to low birth weight Moola Bulla bulls, to commence calving mid to late April for a 12 week period. Heifers present in ideal condition to calve and carry calves through winter. Would highly recommend the purchase of these heifers. Please note the vendor has a total of 66 heifers of the same remarks in the same auction, consisting of one lot of 24 and another lot of 21.
