Assessor Comments	*An Excellent opportunity to secure front Paddock PTIC Heifers from a high quality Angus herd* 18 PTIC Angus Heifers that are due to calve from the 1st of August for a tight 6 weeks. The heifers are joined to a Mandayen Angus that are selected for ease of calving, high growth with soft skin and structurally sound. These Heifers are rising 2 years of age and due on their first calf. Large Frame females that carry big bone with deep muscle but still hold the soft feminine look. They were a pleasure to handle and present in forward condition. You will not be disappointed in the purchase of these female and they are real herd improvers.
