Very well mannered young weaners that handled well and were respectful of the handler and their surrounds a pleasure to work

Handled With	Bikes , Horses , On foot , Vehicles
Assessor Comments	A line of quality young weaner steers that are very well bred and true to type, moderate frame with depth and bone with adequate maturity for age. These steers represent the lighter steers of the vendors complete drop of 940 steers that were weighed at assessment in a 210-253 kg weight range. Reluctant early sale that is only offered due to seasonal conditions as steers are traditionally held and matured to heavier weights and offered as feeder steers suitable to introduce into the feedlot in excess of 400kg. Note : The line of 119 steers included - 12 calves with old ringworm scars and 3 calves with a white belly.
