Assessor Comments	Here presents an outstanding line of EU accredited F1 heifers. The Vendor has made a significant investment into top quality Angus and Charolais Bulls and maintain an excellent herd of Brahman and Brahman x cows. The Hybrid Vigour in these heifers will ensure top performance for the successful purchaser. These heifers stand on outstanding bone and exhibit strong carcass qualities. They are good enough to make 100 day feeder heifers or are equally suited to grass finishing for the EU Market.
