Assessor Comments	A good line of Angus/hereford cross heifers. 1 brand acc breeder. Vendor has retained none of the Angus/Hereford cross heifers - only retaining Hereford heifers for breeding. 2 heifers did come in out of paddock of cows and calves where there was a bull present. (Angus Bull - Booroomooka). Heifers were kept in the yards for 3 days after assessment and fed hay. Bred from large frame hereford, hereford/angus cows. Complete drop, well grown, showing good bone. Heifers show feminine characteristics. Suitable heifers to take through to feeder weights or retain as future breeders.
