Steers were very good to handle through the yards, flowed freely and were easy to work.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: An opportunity to secure a small line of Highland/Angus x steers. These steers are sired by a registered Dunn Highland Bull, out of an Ardrossan Angus blood heifer. They were easy to work through the yards and could be handled by one person with ease, they are very quiet steers that would be ideal for a small acreage block looking to run something a little bit different. Weighing 252kg at assessment after a 2 hour curfew, and are only 9-10 months of age. Buyers please note vendor is also offering another two lots in this sale consisting of 5 Highland/Angus x steers and 8 Highland/Angus x heifers.
