Assessor Comments	A top quality line of mature-aged first-cross ewes, backed by years of proven performance. Graeme has taken immense pride in these ewes, consistently producing lambs that have featured in the first pens at Corowa year after year. These are genuine, proven breeders with outstanding maternal ability, arguably raising some of the biggest suckers to come out of the district. Bred and managed with a lifetime of care, they represent a reliable line of hardworking mothers that have stood the test of time. Joined to Poll Dorset rams, these ewes have already given the buyer a valuable head start. While some are beginning to show their age, they still have plenty of productive life ahead. A tail has been drafted out and all ewes have been mouthed for added buyer confidence. Please note: The vendor also has a line of 2.5-year-old ewes in the same sale, providing an excellent opportunity to assemble a top-quality mob of big-framed, proven mothers.
