Assessor Comments	A standout line of top-quality, big-framed 2.5-year-old first-cross ewes, offering buyers an excellent opportunity to secure young, proven breeders with their best years still ahead of them. Graeme has taken immense pride in these ewes, consistently producing lambs that have featured in the first pens at Corowa year after year. These are beautifully grown young ewes with plenty of frame, scale and capacity, combining outstanding breeding with proven performance. Already demonstrating their worth as exceptional young mothers, they possess the maternal ability to consistently rear big, sappy lambs. Joined to Poll Dorset rams, they provide the buyer with a valuable head start, with plenty of exciting production ahead. Please note: The vendor also has a line of mature-aged ewes in the same sale, presenting an outstanding opportunity to assemble a quality mob of big-framed, proven first-cross mothers.
