Assessor Comments	23 Angus/Black Baldy Heifers. Aug/Sept 2023 Drop. 15-16 Months. Weeran, Bongongo & Allendale Blood. These heifers are very well bred, outstanding weight for age and wouldn't take long to make terrific domestic kill cattle. Heifers are very quiet to handle.These heifers would normally be taken through to be joined and kept by the vendor but due to unforseen circumstances these heifers are to be sold. Grassfed and antibiotic free. Teys Grasslands Accredited. Vendor also has two other lots in this sale,16 Steers and 75 heifers.
