Assessor Comments	15 - Angus Sired Autumn Drop Steer weaners. Steers present in healthy forward store to fresh condition. Steers are being offered as a complete drop. Steers handling & temperament throughout the assessment was a feature, being well educated through a rotational grazing program being monitored & moved on a regular basis. Steers were weaned using nose rings remaining on cows throughout the weaning process & were removed from the rotation 3 weeks prior to assessment. Sale of steers presents an opportunity to purchase a genuine line of steer weaners to take on & continue back grounding for either domestic or export feedlot or processing markets Note - Vendor has the heifer portion of a similar description in sale - total offering of 30 head.
