Mustered straight from paddock for assessment heifers walk along steady no rushing into yards for assessment .Good to work use to steadily walking up through crush area little to nil rushing. Odd heifer looking to move on brisky through crush .

Handled With	Bikes , Vehicles
Assessor Comments	Outstanding line of AA Vendor bred and bought in local Hfrs. Presenting in strong fwd store condition, these heifers really shine in the yards as a terrific run. Would suit breeder or feeder job with confidence. Videos will tell the story. Great to handle through the yards even though they were straight out the paddock and through the crush. Please note vendor has 3 decks of similar Strs in sale making 6 decks 1 vendor.
