Some steers were a little lively in the crush but settled straight away after exiting. They have good movement when moving from pen to pen and will stand quietly when left to do so.

Handled With Bikes

Assessor Comments A good to very good quality line of Angus cross feeder steers with medium to large frame and good conformation. The top of the drop with 27 lighter steers removed, they represent an excellent opportunity to put away on grain or take on grass to premium MSA markets. Note they are grass market eligible and have been treated twice with Bovilis MH + IBR - bottle and batch numbers available on request. Approx three steers are showing swelling on the upper neck at injection site. Also available this sale same vendor are 78 AA steers and 25 AA heifers. Note also selected delivery days available.
