Assessor Comments	Noorinya Angus, Coleraine, Vic, will offer 82 Angus Steers 20 - 21 months, Dollar Angus Bld, Grass fed & Antibiotic Free. Steers will present in genuine store condition weighing from 332 - 514 kgs to Ave 412kgs at assessment (full). These Steers are extremely well bred out of large frame cows, bred by Dollar Angus bulls. They will come with plenty of upside they are still only just starting to clean up in the coat, they are all frame and will stack the weight on given the feed either on grass or grain to finish at domestic or export weights. Steers are extremely quiet and will explode with feed in front of them, if you have feed then look no further these steers will rocket away.
