Assessor Comments	A nice lot of 87 Angus Steers. All frame and not carrying a lot of condition these steers are ideal to take on and would suit further backgrounding or could be inducted straight into the feedlot. Steers have been handled regularly and very quiet to work with. Cattle are a combination of the vendors own breeding and steers purchased as weaners from local sales. The 'Weowna' herd is KO and Aristocrat Blood with a focus on high IMF in bull selection. A good opportunity to purchase a full B-Double load of steers and take advantage of a rising market and a wet summer.
