They in presently ideal condition to join or continue to fatten trade or export heifers. Pasture fed and antibiotic free. They are NSM and ready to join, giving purchasers the ability to join them to a bull of their choice. "Throwley Station" cows are backed by high performing genetics - and these heifers are no different. 3 Heifers had slightest cloudy eyes - not detrimental. Very well educated and handled with horses, dogs and vehicles - they will suit large or small operations. Heifers with huge potential moving forward into the future.
