Assessor Comments	1 Mark 1 Line of Ideal Feeder Heifers. Formerly bought as a run of Brookville Heifers in the mid winter. These heifers are ideal to run on now, showing plenty of frame and upside and all uniform in the run. The heifers were light when bought and had some pinkeye issues, the vendor got them up and going and moving quickly ahead. Selling due to prolonged dry in the area. Please note: There is a second line of these heifers on offer.
