Assessor Comments	An even line of Angus EU accredited Steers that are an August drop calf. Calves are sired by bulls from local studs which are Weeran, Chiltern Park and Glatz Black Angus. These Steers are the lead draft of 270 steer calves from the drop. Steers ran through the yard process without any issues at all they were a pleasure to handle and you can see the work that the vendors have done with them during the weaning process. The Vendors produce proven performers on a grass finishing program or feedlot system with impressive weight gains. A straight B double load of steers to suit all purchasers from wherever they are buying from local or abroad.
