Heifers were reasonably well behaved whilst drafting and weighing. There was a couple that rushed the gate and didn't want to stand still in the crush. As you can see in the videos they are well mannered cattle. Can walk around them on foot in the paddock.

Handled With	Bikes , Vehicles
Assessor Comments	Excellent heifers for a grass fed or feedlot job. In forward store condition they'll jump forwards with some feed. A very tough season is the only reason they're being offered now.
