	Very easy cattle to handle and work and they are esay to move around the yard. the odd one wanted to jiggle a bit in the crush however the majority entered and stood waiting for their weight to be taken. They are cattlemens cattle and if treated qietly they are excellent but if you want to presure them to move then they will.		
Handled With	Bikes		

Assessor Comments	Perfect cattle to go on feed or feed on in the paddock as they have been educated to enclosure feeding with silage and pasture hay through winter. They are part of rationional grazing patterns and will jump away on good feed. All the hard work is done so just sit back and watch them grow. The feedback from previous purchasers of the Illowra Estate cattle is excellent.
