Assessor Comments	Buyers a very good line of 32 Composite steers that present in good store condition. Most steers stand on good bone along with good confirmation & have all the right attributes to make these steers reach their full potential. They have been on an oats crop since the 7th of July and have powered ahead & will continue to perform if given the opportunity. 3 steers have had their horns tipped 3 weeks prior to assessment with some still showing softness around the horn with the majority being polled. One steer with large warts around the head and one steer has scaring in one eye, no problems with vison. A good line of composite steers out of Composite cows (Ex Cannaway Downs) sired by Charolais and Santa Bulls, Red angus and one Droughtmaster bull. Please see photos and videos for self satisfaction. Steers will not disappoint any buyer wanting to buy steers that will perform. Vendor has another lot of steers in same sale to help with trucking.
