Vendor Comments These steers are part of our annual turn off of steers. We place a very strong importance on temperament and we believe that show in these steers.

Temperament

Yards	Crush	Paddock
Quiet: 110 head Slightly Stirry: 2 head	Quiet: 103 head Slightly Stirry: 9 head	Temperament not assessed in Paddock

	A small percentage of steers did get slightly agitated in the crush during assessment but settled quickly once back in the mob. Overall these steers were a pleasure to handle and assess through the yards.
