Assessor Comments Buyers here is a line of mostly black coated heifers ready to put on feed and take out to heavier weights, or take home and join to the bull of your choice. Heifers purchased back in May and June, have done well over the last 5/6 months on winter pastures, and are ready to go for the summer months. Buyers, please note a small percentage of heifers have small blue spot in one eye, along with a small percentage of heifers have warts. None of these blemishes seem to be detrimental. BUYERS, PLEASE NOTE THE SMALL DELIVERY WINDOW - ONLY MONDAY THE 12/12/2022. Any queries please don't hesitate to call.
