Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Renver Primary Production (Brougham Family) are offering 60 Angus PTIC Cows, on the doorstep of calving, presenting a great line of quality proven breeders in the prime of their lives. Cows are mainly Rennylea & Te Mania blood, with some Lawson, Banquet and Pathfinder blood, with majority (40hd) rising 5yo, and balance rising 6yo. Cows will commence calving 15th FEB to 12th of April (8 weeks), and are PTIC to Angus bulls, Lawsons and Landfall. Vendor is shifting from Autumn calving to Spring Calving. A great run of 60 cows, which would make a great starting base for a herd, or an addition, or suit a trade scenario. Please note, vendor has 15 Angus cows (PTIC to their 2nd calf) in this same A+ sale.
