Assessor Comments	A line of well bred heifers that are medium frame with ample bone that should allow them to mature into a moderate framed female given management. They have very fresh young calves at side that have been dropped over a short calving period. Avery productive young female with her life ahead of her with fresh calves that are enjoying the spoils of their dams milking ability. * 1 Female has a White Udder. * Calves carry a management tag yet remain unmarked Note - The vendor has 2 lots of females with calves at foot on offer in this catalogue - total 32
