Assessor Comments	A quality line of Angus cross steers based on Eaglehawk Angus genetics. These steers present in store condition with ample compensatory weight gain on off for the successful purchaser. The steers in this display great frame, depth and length making them an ideal steer to background on to heavier weights to finish on grass or grain. The Hall family cattle have developed a strong reputation for their performance on both grass and grain with strong support from repeat buyers. These steers are on the improve and will continue to go ahead for the successful purchaser. Please not that there are 15 steers with brindle or white markings in this lot. A great run of store conditioned steers not to be missed, please not the vendor has another lot of steers in the same sale,
