	very good cattle to handle through the yards. Extremely quiet.		
Handled With	Bikes		

Assessor Comments	A outstanding line of angus heifers. 30 of these heifers are vendor bred out of large framed angus cows by choice angus bulls. The balance of these heifers were purchased out of the southern highlands in August. These extremely quiet heifers present an ideal line to take home and put with the bull of your choice or fatten into heavier weights. These heifers will not disappoint. Please note 2 heifers with very light old pink eye scaring.
