Assessor Comments	Buyers, Here is a good line of soft easy doing flat back heifers that ave 361kg. These heifers present in good store to forward store condition, they show great length of body with nice natural muscling and skin. Heifers are soft smooth easy doing types. % of heifers are vendor bred out of Angus sires by good quality medium to large frame cows, balance of heifers purchased as light weight heifers to background out. 30 heifers were mouthed with only 1 heifer just breaking 2 tooth. Heifers worked well through yards. They would suit trade of export feeder heifers. Note 1 heifer showed signs of weeping eye but was treated at assessment.
