	Heifers were a pleasure to handle. They flowed well through force, up the race and into the crush. A very small % became slightly agitated when isolated in the crush but quickly became calm when released back to the mob. Please see video for full satisfaction.

Assessor Comments	Buyers on offer is a tidy line of predominantly Angus NSM future breeders. This beautiful line of heifers would be ideal to keep to join and would also suit any domestic feeder market. These heifers were PTE on the 21/11/22 so they are ready to join to a bull of your choice. These heifers have great shape and bone with a lovely temperament. This line of feminine heifers would fit right in to your existing mob or be an ideal starter herd. These will grow to be an outstanding line of breeding cattle.
