Assessor Comments	Buyers an impressive line of weaned steers sired by Palgrove Charolais Bulls and Lawson Angus bulls. These calves will grow very fast given their good genetics. Steers were a pleasure to handle. A great opportunity to secure a quality line of cattle to go on and do a job with. This mob has had a pre-treatment for ticks to assist with ease of movement to clean areas. Vendor will pay for trucking to end of Toe Holt Road as access to yards is limited to anything bigger than a body truck.
