These cattle were very good to handle with no temperament issues. Would suit a hobby farmer due to quiet nature.

Assessor Comments Buyers an impressive line of weaned heifers sired by Palgrove Charolais Bulls. These calves will grow very fast given their good genetics and would make future breeders. Heifers were a pleasure to handle. A great opportunity to secure a quality line of cattle to go on and do a job with or grow out to high quality replacements. This mob has had a pre-treatment for ticks to assist with ease of movement to clean areas. Vendor will pay for trucking to end of Toe Holt Road as access to yards is limited to anything bigger than a body truck.
