| Assessor Comments             | A line of very good quality vendor bred Brangus heifers. Heifers are out of Walhallow bred brahman cross heifers by Booroomooka and Leeton Angus bulls. They are well grown, soft animals that handled well throughout the yards and crush as well as in the paddock. Tail was removed at assessment. These heifers would suit both breeding and feeding. Please note brothers of these heifers are in the same sale. |                         |                |
