Vendor Comments	These sheep are part of the Nareen Station Annual Production Sale.
Assessor Comments	This is a draft of 445 Nareen Station bred merino wether lambs (run out gate of 890). These lambs were bred on Nareen Station, trucked to the vendors property 'Boyong', Mt Benson for further growing and are part of the Nareen Station Annual Production Sale. Nareen Station aims to breed sheep that are highly profitable and easy care. The breeding objectives in the commercial flock are to have adult sheep which are 18-19 micron and capable of cutting large quantities of white, bright wool on a plain bodied sheep. These lambs are ideal to purchase for wool production, further fattening or future export markets. Please note that the vendor has approx 1500 wether lambs in today's sale.
