Notable Traits		Traits
	15 Head	pink eye scarring
	2 Head	small warts on head

Assessor Comments	A well bred line of Te Mania blood steers that are packed with frame and ready for a purchaser with with feed to finish. This line of steers are out of cows heavily selected for high marbling traits and have performed well in feedlot trials in the past. This draft of steers would normally be finished on farm but unfortunately due to the failing season they are on offer representing great opportunity for prospective buyers.
