Assessor Comments	** USDA Certifed Organic** This is a great opportunity to purchased a nice line of Organic Angus & Angus X Heifers. Scanned empty for buyer confidence. These heifers would be ideal for a number of enterprises from adding to an Organic herd as replacements, take onto an Organic or MSA Kill, or alternatively to put into a feedlot situation. The fogarty cattle have peeformed well on feed in previous years. Odd Heifer noted with a blue eye from pink eye in the past however not detrimental.
