Assessor Comments	An outstanding line of vendor bred Angus X Angus steers from the renown Waverley herd. These steers show terrific weight, growth & confirmation for age & are very well bred, they have a tight LWR of 429-456kg. These steers are noted performers on grass or grain. They have had their first shot of Bovilis MH + IBR with bottle details available to the purchaser. Two of these steers were observed with one cloudy eye, no vision issues.
