JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.			

Vendor Comments	Regretful sale. We usually feed lambs out to export slaughter lambs. Due to the season we are going to sell. Lambs have been in the feedlot since early January
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	320 M/J/J 2024 Drop - MWL, Nyowee blood, Bare shorn. A small % of ewe lambs in line. Lambs have been on full grain Barley/Lupins/Laucke 60 grain balancer for the past 40-50 days. These lambs would usually be taken through to export lambs, but due to the season vendor has chosen sell lambs to retain ewes. Please note - 540 fed lot store lambs to be offered on the same day in the Quorn area Lambs present in forward fresh condition, excellent growth and frame, ready to ahead in a feedlot. Lambs should grow into heavy export lambs shown the correct conditions.
Assessor	**Jack Coleman (Level 2 Accredited)** Phone: 0427 882 616
