| Assessor Comments | Good to very good quality vendor bred steers, yard weaned at assessment. Most medium frame with 5 head tending towards large frame. Note there is a spread of age and weights in the line. The steers are sired by Mooroobie Angus bulls out of Angus and Angus Hereford cows, majority of cows are Angus. They would suit to take to the heavy end of export feeder weights and finish for a range of high quality markets. Note the steers were weighed after being in the yards overnight with their mothers. Steers have been vaccinated with 5 in 1 at branding. Note heifers in this sale also. |
