| Assessor Comments | Outstanding line of 20-24-Month-old Angus heifers PTIC 7 months to AI Sire FERGUSON TRAILBLAZER USA18996007<br>Trailblazer is an elite US sire, one of the best numbered bulls in the breed with top 1% figures for all dollar indexes and Top 1% figures for growth. These growth figures are combined with low gestation length, low birth weight and high calving ease |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

traits. Trailblazer combines these elite numbers with superb structure and outstanding eye appeal which makes him a special heifer bull. Heifers have been selected for vendors AI on maternal traits type and temperament and will calve out in a tight window adding to the appeal of these young breeders. Please note: odd heifer with small white patch on underline one heifer with small grey birth mark on face (see last picture) 2 heifers with slight blue eye (not detrimental)
