Assessor Comments	A very nice line of steers sired by Palgrove Charolais bulls that have put muscle and softness into these animals. Steers present in fresh forward condition and given the right opportunity could be fattened into domestic or export weights. Steers show very good growth for age and sound confirmation with all steers showing the body shape and softness to finish. These cattle have previously excelled when given the opportunity to fatten on grass or grain. Vendor has heifer portion of

	these in this sale to
